

NWSOLARSUMMIT

PLEASE JOIN US...

You are cordially invited to participate in the Northwest Solar Summit! The 2009 Summit is our 12th annual meeting, bringing together: economic development specialists, community action agencies, renewable system designers, architects, resource planners, energy advocates, legislators, students, policy advocates, environmentalists, & community planners. The 11th Annual Summit will take place **October 22-23, 2009** in Olympia, Washington at the New Washington PUD Association (WPUDA) headquarters, which was built to the highest standards of the U.S. Green Building Council.
