

HANDS-ON Relay School

MARCH 15-19, 2010

LAB FACILITATORS

If you are an experienced relay technician who is willing to share your knowledge with others, you can attend the Hands-On Relay School as a lab facilitator. Lab facilitators work with groups of three to four students in the labs testing relays and may attend all classroom lectures and school activities. Lab facilitators are not required to pay the registration fee and their company receives priority points for students applying for the school. If you are interested, contact WSU Conference Management at 800-942-4978 or 509-335-3530.

PROMOTIONAL VIDEO

Need help convincing your organization about the benefits of attending the Hands-On Relay School? Contact us today to request your copy of our promotional video that demonstrates the invaluable training experience of attending this school. Call 800-942-4978 or 509-335-3530, or e-mail us at wsuconf@wsu.edu for more information.

The HRS is a great school and therefore demand is high. This can lead to misunderstanding of the registration process. Please note the following instructions carefully.

You will receive notification of receipt of registration via e-mail or regular mail shortly after WSU receives your registration form. This is notification that registration has been received only, not acceptance to attend. If you do not receive this notification within one week of registering, please contact WSU.

You will receive confirmation of acceptance to the school or a regret notice near or before February 8. **You are not accepted to attend unless you receive the confirmation of acceptance from WSU.**

By mail:
Washington State University
Conference Management
PO Box 645222
Pullman, WA 99164-5222

By fax: 509-335-7781
Online: conferences.wsu.edu

Please print or type. For additional registrants, please duplicate this form. To significantly increase your chances of being accepted, send a facilitator.
